# Message from your President

*By Adrian Corrigan*

---

This month's message will begin by welcoming June and waiting for the 20th, when it will be the longest day of the year! This is known as the summer solstice and it's a great time to be a resident of Holiday City South!

As we said good-bye to May with our Memorial Day weekend parties and celebrations, we find ourselves getting more and more excited about the warmer weather finally getting here. This month's notable dates include WORLD BICYCLE DAY (June 5th), FATHER'S DAY (June 21st), and FLAG DAY (June 14th) when we commemorate the adoption of the U.S. flag. Let's all display our flags to show respect for its symbolism of independence and unity. Remember to show your appreciation to all Dads past and present, by reminding them or remembering, how much you appreciated everything they've done for the family and for being in all your favorite memories.

Our Trustee election will be on Wednesday June 25th. In person voting will take place at the clubhouse in the auditorium between the hours of 11AM and 7PM. You must have a photo ID with you if you wish to vote. If you haven't met the candidates yet,

please come to the HOA Homeowners meeting on June 12th, so you can ask questions and make an informed decision. The first 2 candidates that get the most votes will have 3 years to serve on the Board. The 3rd candidate who wins will be serving a 1-year term. PLEASE COME OUT AND VOTE!

I'd like to apologize for not attending the May homeowners meeting last month. Due to my family obligations and commitments, I had to be away during the 2nd week in May. Also, I will not be attending the June homeowner's meeting because of prior commitments as well. I understand the May meeting went well and am assured that you are being left in good hands once again for the June meeting.

President's Final Thought.....

"I believe our flag is more than just cloth and ink. It is a universally recognized symbol that stands for liberty and freedom. It is the history of our nation, and it's marked by the blood of those who died defending it." Newsweek

Adrian Corrigan  
HCS President

## **Resolution for limit on the number of homes owned by one Homeowner and/or LLC**

---

(This resolution also limits the number of homes that can be rented in the community)

Homeowners, LLCs, Corporations, Trusts, partnerships or any other legal entity (referred to as entity) must own a home for (3) three years prior to renting said property. The number of properties (homes) permitted to be rented in the community should not exceed 200 homes or 8.5% of the 2359 homes in the community.

Homeowners, LLCs, Corporations, Trusts, partnerships or any other legal entity shall not be permitted to purchase more than (3) three properties. Should the number of homes exceed the ownership limit permitted in this resolution at the time of approval, those homeowner(s) (entity) shall be grandfathered. That status shall remain directly related to the homes owned at the time of passage of this resolution until such time as the homes are sold (or ownership changes). Upon reduction in the number of homes owned by the grandfathered entity, that number will remain at the reduced number of properties. This will continue should the entity continue as an owner of properties and will be reduced as properties are sold off or transferred.

The intent of this resolution is to ensure the integrity of the community as a retirement community providing for affordable home ownership for individuals under the Housing for Older Protection Act (HOPA) which allows communities to market themselves as 55+ or age restricted under the following age requirements:

- The community publishes and adheres to policies and procedures that demonstrate the intent to provide housing for older persons.
- The community complies with the federal rules for verification of the occupancy every two years.
- The communities have governing documents in place that are adhered to demonstrating their intent to comply with the Housing for Older Protection Act.

Limiting the number of homes that are available as rental properties will afford closer controls and adherence to the regulations under the Housing for Older Protection Act.

# HCS Movie Committee

Mike Dirienzo

---

Spring is finally here and our free movie nights will continue. Now that the evening weather is warmer we'll try to do movies outside again as soon as the large tent or pool areas are available to us. This requires much more work to set up, so again we'll need volunteers. For now we'll continue in the auditorium.

We strive to find the best copies of a film as far as sound and image quality. For May we plan to show two comedy movies. We'll present the Robin Williams/Nathan Lane film 'The Bird Cage' (1996) at 6:30PM Saturday evening 5/17/25. This is a movie we've been getting requests for. The screenplay is based on the well-known French farce 'La Cage aux Folles'. The second movie will be 'Austin Powers: The Spy Who Shagged Me' (1999) at 6:30PM Saturday 5/31/25 featuring Mike Myers and Heather Graham. This is a spoof of the Bond films and probably the funniest of the trilogy.

These events are organized by the Movie Committee. Announcements will be posted in various clubhouse bulletin areas each month. You can bring

your own favorite snacks and drinks; chairs are provided. We ask that everyone be considerate of others in the audience and of the volunteers giving up their time for you. Be sure to clean up after yourselves. Do not set up tables or do anything that might cause you harm. Come early - there's time to mingle and talk before the movie starts and after it ends.

Do you have a favorite movie you feel others would enjoy too? Feel free to contact us with suggestions at our email or Facebook group. Our Facebook group is [www.facebook.com/groups/hcsmovienight](http://www.facebook.com/groups/hcsmovienight) if you want the most up-to-date info. # BINGO NEEDS YOU!!!!

---

Monday evenings I chair our Holiday City South Bingo. We have 80 volunteers. Most work once every 5 weeks. There are 2 groups – sellers of bingo games and kitchen staff. We have a Bingo caller and people who sell 50/50's on the floor. We also have a financial group. They are responsible for the money collected from admissions & game sales and the distribution of winning payouts. There is a volunteer who files our monthly financial report to the State of NJ. We have men who come into the clubhouse on Sunday mornings to set up the bingo machine. On Sunday morning people begin to prepare the kitchen for Monday night Bingo. We would not be able to support HCS obligation to provide the daily bus service for our community without our **VOLUNTEERS!**

However, at this time Holiday City South Bingo is

in **NEED** of help from people in our community. We need a few volunteers to sell bingo games. You would only need to come in once every 5 weeks.

We **URGENTLY NEED** someone to become a caller for the games that are played. That position is on a weekly basis. However, if we have a good response, we could possibly set your time for less than every week. One more thing..... the kitchen prep on Sunday mornings needs some help.

Your dedication and time would make a big difference for the success of bingo. Bingo monies go directly for the payment of the bus in our community.

Thank you,

Larry Puccio

It is already June. The last month in our 2024-2025 season. The beginning of the summer of 2025. At the time I am writing this we are only a few days from our car show. Fingers crossed weather is favorable. Pictures from the show will be posted on the HCS Men's Club Facebook group. This project took a lot of planning. Thanks to Joe Friday, George Mason, Dan Santos and the several volunteers that made the event possible. A special thanks to the local businesses that made donations. I hope the list of them I submitted to the Southwind makes the publication. Please patronage them and let them know you saw they supported the car show.

Our last event of the season is the Luau. Ticket sales have been brisk. You need to check Friday ticket sales to see if any tickets are still available. Price is \$50 per person which includes roasted pig, smoked chicken, baked beans, potato salad, coleslaw and mixed fruit for dessert. Beverages are rum punch, beer, sangria, water, soda, coffee and tea. Weather permitting it will be held in the tent.

The June meeting will be Thursday June 26th at 6:00pm. We plan to have this meeting in the tent.

Happy Father's day to all the Dads.

Welcome to June. The pool is finally open. Hopefully, the weather is cooperating. Pickleball courts are open as well and being enjoyed by our residents. Bocce ball and shuffleboard are also being played as of the end of April. Taking care of these amenities are a high priority to the Board.

I want to wish all the Trustee candidates the best of luck. When you get on a 7-member board, it takes communication and compromise; willingness to listen and work together. Please remember this once elected. Being one of 7 means that you may not always get what you want. Majority rules, that's how democracy works.

People, please continue to volunteer and enjoy all our wonderful amenities. Volunteerism is what makes our community thrive!

# USE OF PICKLE BALL COURTS

---

Pickleball courts will be open (approx. mid-May), 7 days a week for HCS residents. HCS residents can bring guests (2 per household). However, if the courts are full, residents take priority to play over residents with guests. Residents with guests will need to complete their game and then allow the residents to play.

The 4 pickleball courts have the capacity for people to play and sharing is encouraged but the underlying principle will be that residents have priority.

All residents **must have** their ID badges on them, as well as guest passes (the same guest passes used for the pool.)

No Trustee will be there to monitor the games - it will be on the honor system. The goal is to have HCS homeowners to get the most use out of these newly renovated courts. However, if we find people violating these rules, their use of these amenities can be restricted.

***It is highly recommended to get the TeamReach app.***

The **TeamReach** app. will be used to manage and schedule specific play sessions for group play. These sessions will follow the rules set forth for residents and their guests. **TeamReach** sessions provide users with information on who is playing, how many players have signed up per session, as well as availability of the courts. Sessions will also identify skill levels and will give users the opportunity to decide what and when they want to play.

To join **TeamReach**-message Bill Molloy at 848-240-4822 to be approved to join the app. He will assist individuals on the use of the app along with answering all **TeamReach** questions.

*Accommodations will be made for anyone wishing to play tennis by limiting play on 2 of the 4 pickleball courts.*

# Ginny DeMeo

---

Holiday City South Residents:

Hi, my name is Ginny DeMeo and I am asking for your vote. For those of you who do not know me, I served on the code committee. I also attend most all of the community meetings and have voiced my concerns within the community.

Prior to moving to HCS I lived in Horizons at Woodlake Greens in Lakewood where I served on the Board of Trustees as a member and as President of the Association for several years until moving here. One of the issues I faced while in that capacity was being made aware of the township selling a tax lien for non-payment of taxes by the developer for common property during construction. We were made aware of this by email from the company who had purchased the tax lien, notifying us that they were foreclosing on the property (the story was covered by the Asbury Park Press because it was such a serious problem for our community.) This would have decreased the value of all our homes. We first had to prove to the court that as homeowners we had vested interest in that property and amenities. To protect the community's interest we sued the township to contribute to the purchase of our deed and clear title and were victorious in winning. I learned more than I ever thought I wanted to know. Other duties included securing bids, voting on projects and awarding of contracts to vendors. I worked diligently to protect our community.

Prior to serving on Horizons Board of Trustees I also served from 1996 until moving on the Board of Trustees in Hyde Park Association, Tinton Falls as Secretary.

I would now like to volunteer my time to serve on the HCS Board of Trustees to represent you, the owners, with your concerns, wants and needs. Through my career as EVP of a publishing company, I have learned to listen attentively and to find ways, if possible, to address and fix concerns.

I believe in maintaining our community as a desirable place to live and own a home as well as keeping the value of our homes as high as possible.

I believe in transparency between the Board of Trustees and the members of the Association. I believe in low maintenance fees and your Trustees being able to do the work to keep this possible.

I would take your vote as an honor and promise to work hard for all of you.

I ran for office with two others, assumed the position of President, and we immediately fired the former management company and began to manage the complex ourselves; quite successfully.

We required assistance from our town's Borough Council to address some problems that had been "built into" our community.

That cooperation was initially denied us, so I ran for public office and won a seat thereon.

I held seats in each venue for two three year terms during which I reversed a host of problems in both, while properly maintaining both the Operating and Reserve Funds of the condo association.

During my six years in office I "held" our monthly maintenance fee, revamped our extensive water delivery system, replaced the roofs of every building in the complex, repaired and maintained the complex's extensive "septic system", and made all plans necessary for the refurbishment of our roads and parking lots.

I held positions on the town's Borough Council of Police and Insurance Commissioner, and testified before the N.J. State Legislature before withdrawing from both positions.

I am now retired, have assumed the role as full-time caregiver for my aged sister, and at 76 years old I have a renewed interest and the time to assume a position in public affairs.

## Wayne Scragg

---

My name is Wayne Scragg, I have lived in this community for 6 years now. I love living here. My wanting to represent our community is to serve as a dedicated Trustee and contribute to the enhancing of the quality of life within our community through effective leadership, collaboration and commitment for every resident.

I am currently serving as the head of the shuffleboard league. I am assisting the community recycling program with collecting and dropping off of the plastic, also helping our Bingo with shopping.

As a board member I will be a part of the policy and decision making process that will become the direction our community moves in.

I will always work alongside the board to provide the residents with positive leadership.

I believe that every resident has a voice and should always be allowed to speak and that everyone should be shown respect.

I believe in transparency and clarity when it comes to the code rules and regulations . That the rules should be updated and given to every resident and stop keeping the rules a secret. That the selective enforcement has got to STOP!!

I promise each and everyone of you that I will always make my decisions that are for the greater good when representing this community.

I hope that you will support me in the upcoming election.

Thank you again for your time

## TREES IN THE COMMUNITY

Recently we have had several severe storms. Many of us have had tree limbs and/or trees fall. The rule of thumb regarding these fallen trees and/or tree limbs is simple. If a tree or tree limb(s) that are in the common area fall in the common area, we leave the downed tree and/or tree limbs where they fall, unless they are creating a hazard. If a tree or tree limbs from the common area fall onto a member's property, the association will remove them. If a tree and/or tree limb do damage to a homeowner's home, they will have to file through their homeowner's insurance for damages, but the association will have the tree and/or tree limbs removed. Also, if the downed tree and/or tree limbs from a tree are from one that stood on the homeowner's property or the township right of way, the homeowner has responsibility for any damage they may cause. This should clarify the association policy for downed trees and/or tree limbs. If a homeowner has a tree on their property and would like to have it removed and are not sure if that tree is on their property for sure, please call the Code Committee and have them come check on it before removing anything. Berkeley Township requires that you have a permit to remove trees.

### **LAWN MAINTENANCE**

\*Please remove obstacles from your lawn on cutting days.

\*Please be advised that is not in the landscapers' contract to blow the grass off patios and walkways.

\*The landscapers do not use catchers in the backyards, this can propel grass onto the walkways, so can the trimmers!

\*Landscapers are not responsible for fertilizing, etc.

\*Make sure your sprinkler heads are not stuck in the "up" position, this is the easiest way for them to break.

\* If you don't want your lawn cut, come to the office and get four red flags for your lawn

## LAWN MAINTENANCE

\*Please remove obstacles from your lawn on cutting days.

\*Please be advised that is not in the landscapers' contract to blow the grass off patios and walkways.

\*The landscapers do not use catchers in the backyards, this can propel grass onto the walkways, so can the trimmers!

\*Landscapers are not responsible for fertilizing, etc.

\*Make sure your sprinkler heads are not stuck in the "up" position, this is the easiest way for them to break.

\* If you don't want your lawn cut, come to the office and get four red flags for your lawn

Any legitimate complaint -contact the office.

June's birthstone symbol claims two birthstones; pearl and Alexandrite. Pearls have been popular in jewelry for centuries because of their natural beauty. Alexandrite gemstones are extremely rare and desirable since they change color based on the lighting. The birth flower for June is the Rose, which has more meanings than one can count! A pink rose means perfect happiness, while a red rose means "I love you." A white rose signifies innocence and purity, while a yellow rose conveys jealousy or a decrease in love.

#### Holidays recognized in June

June 6th is known as D Day for WWII. On this day, more than 160,000 Allied troops landed along a 50-mile stretch of heavily-fortified French coastline, to fight Nazi Germany on the beaches of Normandy, France. Gen. Dwight D. Eisenhower called the operation a crusade in which, "we will accept nothing less than full victory." More than 5,000 Ships and 13,000 aircraft supported the D-Day invasion, and by day's end, the Allies gained a foot-hold in Continental Europe. That day more than 9,000 Allied Soldiers were killed or wounded, but their sacrifice allowed more than 100,000 Soldiers to begin the slow, hard slog across Europe, to defeat Adolf Hitler's troops.

#### June 8th is National Best Friend Day History

National Best Friends Day celebrates best friends and their contributions to daily lives. Best friends are those close friends that you can always count on, share all of your secrets with and have a great time no matter what.

National Best Friends Day is an unofficial holiday that is celebrated annually on June 8th.

June 14th is known as Flag Day. In 1916, President Woodrow Wilson issued a proclamation that officially established June 14th as Flag Day, however, in August 1949, National Flag Day was established by an Act of Congress. Flag Day is not an official federal holiday.

June 15th is Father's Day-Father's Day in the United States is on the third Sunday of June. It celebrates the contribution that fathers and father figures make for their children's lives. Its origins may lie in a memorial service held for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in 1907. Father's Day become a permanent national holiday, in 1972, when President Richard Nixon signed a law declaring that it be celebrated annually on the third Sunday in June.

June 19th is, officially Juneteenth National Independence Day, a federal holiday in the United States. It is celebrated annually on June 19 to commemorate the ending of slavery in the United States.

June 20th is known as the Summer Solstice or the longest day of the year, it begins at 10:41 P.M. EDT. The Solstice is the beginning of summer in the Northern Hemisphere.

#### JUNE

"On this June day the buds in my garden are almost as enchanting as the open flowers. Things in bud bring, in the heat of a June noontide, the recollection of the loveliest days of the year - those days of May when all is suggested, nothing yet fulfilled."

by Francis King

# KIRMS PHOTOGRAPHY Bird Photography

I have always been a nature lover and one of my favorite subjects are birds. Birds can be quite skittish, so like any other wildlife photography your two main weapons are patience and knowing your subject. A long lens is also helpful since most birds are quite small, but not necessarily a must.

Birds are wary and detect movement very well, so sitting quietly waiting for a good shot is very important. If you are out in the wild a camoflauge outfit is helpful. A comfortable seat or cushion can make your wait more pleasant.

Many birds are quite territorial, so using a bird call will help you get more shots. I play bird calls on my iPod to lure birds out of hiding. By knowing your subject's habits you can predict its movements and greatly increase your chance of getting a good shot. Your shots will be stronger if you have some action (feeding, singing, etc.). Using food to lure your subjects within range is also helpful.

Use a fast shutter speed. Birds move quite rapidly and unpredictably so a slow shutter will yield motion blur.

Send me an email at [bill@kirmsphotography.com](mailto:bill@kirmsphotography.com) with any photo questions. If you'd like to see more of my images, visit my web site at [www.kirmsphotography.com](http://www.kirmsphotography.com). Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
