Message from your President

By Adrian Corrigan

Hello Holiday City South residents,

As summer comes to a close and fall approaches, I hope each of you enjoyed a wonderful season here in our community. We are truly proud of the activities we offered and even more proud of the participation from our residents. It is your involvement that makes Holiday City South thrive and shine above so many other communities.

With cooler weather on the horizon, we encourage everyone to come out and support our clubs as they begin their fall schedules. Your engagement keeps our community active, welcoming, and vibrant.

As many of you know, we work hard to maintain our buildings and grounds. This summer brought a few necessary repairs:

- Our 15 year old ice machine finally made its last cube in July, but have no fear — it has been replaced, and we're set for many years of ice ahead.
- The solar heating system for the pool required repairs, which have been completed.
- Our sprinkler system also needed attention, and those repairs are now finished as well.

We remain vigilant in caring for our amenities and ensuring everything stays in proper working order. If you notice anything that needs attention, please let us know — your eyes and feedback help us keep Holiday City South at its best.

Thank you, and I wish everyone a wonderful fall season.

Adrian Corrigan

I am filled with overwhelming gratitude. The past few months have been incredibly difficult, and there were moments when I didn't know how we would get through. But this community showed up. Thank you to everyone who sent words of encouragement, kept us in your thoughts and prayers. I appreciate all of you.

Fran Hurley

Trustee's Corner

As summer winds down, I want to take a moment to reflect on what an incredible season we've had here in Holiday City South. Our pool was buzzing with activity all summer long — volleyball, live music, family days and barbecues, sundaes on Sunday, trivia nights, and even a few movie nights under the stars. And we're closing it out in style with our *End of Season Tailgate Barbecue on September 19th*.

With fall approaching, we now look forward to shifting into many of our indoor activities. Our new ceramics class and sit & sew class begin this month, offering great opportunities to learn something new and meet new neighbors. Bingo continues to grow every week, and we encourage everyone to come out, have fun, and support it.

A heartfelt thank you to all our volunteers — your time, energy, and dedication are what make every activity possible and every event successful.

By the time you read this, we hope our new fitness center is officially open and ready for use. This has been a long awaited addition, and we're excited to offer another amenity that supports health, wellness, and community engagement.

As always, we welcome your suggestions and new ideas. Your input helps us continue building a community we can all be proud to call home.

Thank you, Tom McGorty

September is here so take advantage & enjoy the last days of summer. It has been a crazy summer with the nutty temperature we've had. Before you know it, the trees will be turning into all the autumn colors for everyone to admire the beautiful foliage. Fall is a great season; it's my favorite time of the year. Get ready to pumpkin pick, go on hayrides & just enjoy the outdoors. It's a wonderful time of the year. All our residents should try to get out and enjoy all the amenities HCS has to offer. Ocean County Health Department

Flu Vaccination October 27, 2026 10am – 1pm Bldg. C

Influenza vaccine can prevent influenza (flu). Flu is a contagious disease that spreads around the United States every year, usually between October and May. Anyone can get the flu, but it is more dangerous for some people. Infants and young children, people 65 years and older, pregnant women, and people with certain health conditions or a weakened immune system are at greatest risk of flu complications. Pneumonia, bronchitis, sinus infections, and ear infections are examples of flu-related complications. If you have a medical condition, such as heart disease, cancer, or diabetes, flu can make it worse. Flu can cause fever and chills, sore throat, muscle aches, fatigue, cough, headache, and runny or stuffy nose. Some people may have vomiting and diarrhea, though this is more common in children than adults. In an average year, thousands of people in the United States die from flu, and many more are hospitalized. Flu vaccine prevents millions of illnesses and flu-related visits to the doctor each year.

Boscov's Friends Helping Friends Discount shopping pass is now available for a donation of \$5, and we know this is always a fun day of shopping. This year the date of Boscov's Friends Helping Friends is **October 21st**. The shopping pass can be used in the store and online. In many departments such as clothing, shoes, jewelry, and more the discount is 25%. In small appliances and a few other departments, the discount is 15%. There is also a chance to win a \$100 gift certificate. This is a great way to do holiday shopping for others or just get treats for you!

The \$500 Visa Gift Card raffle tickets are on sale now. The drawing is in November and is always a sell-out. To quote one of our members, "All you need is \$5 and dream." You must be in it to win it, so be sure to get your ticket before we run out.

The Third Annual Tea at the Mathis House was enjoyed by almost sixty women, which is twice the amount from last year. Lovely door prizes were won and the 50/50 was a nice size. If you missed this one, think about joining us next August.

Holly Twig welcomes like-minded women with energy, creativity, and a passion for fundraising to support our hospital. Members are encouraged to participate in our events, share new ideas, and take active roles in our organization. The group meets on the second Wednesday of each month at 9:30 a.m. at Clubhouse 2 in Holiday City Berkeley. Meetings begin with coffee and conversation, often followed by an engaging program before our business session.

All proceeds from our events are donated to the hospital to help fulfill "wish list" items requested by various departments—needs that fall outside the regular operating budget. Each department may submit requests for items up to \$5,000. Your continued support and generosity make it possible for these important wishes to be granted.

One of our ongoing fundraising efforts is our partnership with **Second Time Around, located at 200 Corporate Circle, Toms River, NJ 08755**, creating a true win-win opportunity. We gladly accept seasonal new or gently used items, which are consigned under Holly Twig's account. These donations can be winter clothing or houseware that are in the original box. It's a wonderful shop filled with hidden treasures—you never know what you might find!

We also continue to collect donations of new, soft yarn. Our talented members use these materials year-round to create baby hats for newborns, as well as chemo hats, shawls, and lap blankets for patients in the oncology department.

LAUGHIN' TIMES

By: Dom Alagia

The problem with the gene pool is that there is no lifeguard.

The sooner you fall behind, the more time you have to catch up.

Everyone has a photographic memory; some just don't have film.

I had a joke about paper today but it was *tearable*.

I made a song about tortilla once, now it's more like a wrap.

I tried to catch fog yesterday, but I mist.

I used to be afraid of speed bumps, but I'm trying to get over it.

I decided to sell my vacuum cleaner because it was just gathering dust.

I stayed up all night wondering where the sun went and then it dawned on me.

I was going to tell you a joke about boxing, but I forgot the punch line.

I found a book called "*How to Solve 50% of Your Problems*", so I bought 2.

If you are away, consider having a friend or neighbor place your garbage cans at the curb and return them to their respective out-of-view locations after trash pickup.

With the outbreak of the **COVID-19 virus**, Berkeley Sanitation Department's rules for putting out trash is as follows: ***The Township has made key changes to trash pickup. All household trash must be bagged and placed in an outdoor trash receptacle. Sanitation employees will not pick up trash that is not bagged.***

SPEEDING IN OUR COMMUNITY

The speed limit is **25 MPH** in residential areas. Those of you who have children living with you and who have the privilege of living here in our 55+ community are racing through our streets. Please tell them to **SLOW DOWN** and to **STOP AT STOP SIGNS**. Every day there are near misses in our community. It's not worth your life or someone else's life. ***PLEASE SLOW DOWN!***

Ocean County Shrine Ladies Club

The Shriners Hospitals for Children are dedicated to excellent specialized patient care, innovative research, and outstanding teaching programs. Shriners Hospitals are at the forefront of medical treatment and research in orthopedic, burn and spinal cord injury care. Throughout the years, the hospitals have provided some of the best medical care in the world, with no charge to the family. Shriners Hospitals receive no federal aid and are totally supported by the money raised by donations.

The Ocean County Shrine Ladies Club, is a non-profit, 501C3, whose sole mission is raising funds to support the Shriner's Hospital for Children in Philadelphia, PA. Throughout the year we host several events, here in Toms River, with amazing success. ***Holiday City South recently hosted a Music Bingo by the poolside and generously donated all the proceeds to our cause.*** We were so humbled and grateful for your generosity. Below is a list of fundraising events that will take place throughout the Fall. Please be assured that 100% of the proceeds of our events are donated directly to the Shriners Hospital for Children in Philadelphia. Over the years the generosity of patrons such as yourself has enabled the hospital to purchase advanced medical equipment and enhance research to benefit the needs of their patients. We thank all those who have supported our efforts throughout the years.

Holiday City South – Plastic Recycling Program Going Strong!

Since starting the program in February of 2023, we have collected about 4,000 lbs. of plastic that would otherwise end up in landfills.

Let's keep it going – not only are we helping the environment, but for every 250 lbs. we collect in a quarter, we earn one chance in a drawing for a \$500 credit the organization can use for a variety of prizes.

The program accepts plastic bags and plastic film that cannot be recycled in the normal recycling stream. Just follow these guidelines and drop your items in the convenient white collection boxes located in Buildings A, B and C at the HCS clubhouse:

Here are a few examples of the plastics we can collect (please make sure all items are clean and free from food residue!)

- *Plastic overwrap from napkins, paper towels, toilet paper and beverages
- *Plastic grocery bags, produce bags and dry-cleaning bags
- *Air pillows and bubble wrap used in shipping

*Here are a few examples of **items we cannot collect**:*

- *Hard plastics such as yogurt or deli containers
- *Clear “clamshell” containers like those used for takeout, produce and prepared foods
- *Styrofoam
- *Vinyl

A more complete list of do's and don'ts is printed on the front of the white collection boxes. You can also learn more about the program at www.netxtrex.com or contact Vince with any questions at 908.227.8023.

BULK COLLECTION

Berkeley Township provides residents on-demand bulk collection by appointment for items that cannot be picked up during regular trash collection. Collection can be scheduled with the Public Works office.

How It Works

1. Submit Your Request.

Please start the scheduling process by filling out the [Bulk Collection Request form](#). This request form is for bulk, appliance, metal, and electronic pickup scheduling.

2. Schedule with Public Works.

A representative from the Department of Public Works will be in contact with you to discuss next steps and provide you with your bulk collection timeframe.

3. Set Out Your Items.

Place items at the curb the evening before your scheduled bulk collection timeframe, no earlier than 4:00 p.m.

Questions?

[Email Public Works](#) and a representative will get back to you shortly.

Important Notes

Approved Bulk Items: Mattresses and Box Springs (must be wrapped), Non-treated Lumber, Furniture, Misc. Household items that do not fit in your trash can.

Items Not Approved for Pick up: Construction Material, Pressure Treated Lumber, Sheds, Fencing, Trash Bags, Masonry Material, Hazardous Waste (please bring to Ocean County Reclamation Center)

Clean-Out Requests

In accordance with Township Ordinance, any pile exceeding the size that will fill a 4-foot by 4-foot by 8-foot container requires payment of a **\$250 Clean Out Fee**. A charge of \$250.

§ 20-1.12. Cleanout / Moveout Fees. [Ord. No. 08-34-OAB § 1; Ord. No. 2012-11-OAB; amended 3-18-2024 by Ord. No. 24-08-OA]

No person shall place at the curb or anywhere else the contents of a residential dwelling for collection at the time of an entire cleanout of the dwelling unless and until a fee of \$250 is paid to the Township of Berkeley and arrangements are made with the Department of Public Works for such collection. The \$250 fee is limited to a collection that would fill a 4 by 4 by 8 container. Amounts in excess of that limitation will necessitate additional \$250 fees as applicable.

The goal of each service is to assist the veteran in achieving realistic career objectives and self sufficiency.

OUR SERVICES ARE FREE AND OUR CONCERN IS GENUINE.

The next meeting of Silver/Holiday V.F.W. Post 10185 will be held on Thursday, September 3rd at 1:00 PM at the Silver Ridge Park West Clubhouse, 145 Westbrook Drive. We hold our meetings on the first Thursday of every month. We meet in the daytime, so you do not have to drive at night.

To join our post, just bring a copy of your Discharge (DD-214) to our meeting and you'll receive a hardy welcome and refreshments before the meeting. If you need a ride to the meeting or want more information without any obligation call Commander James Egan at **732-644-2119**.

Remember if you hear of any Post member passing away or being in the hospital, call any officer and let him know.

We still need a Quartermaster to replace Dennis.

Monday, September 7th is Labor Day.

Sunday, September 20th Yom Kippur starts at Sunset.

Monday, September 21st Yom Kippur ends at Sunset.

Tuesday, September 22nd Autumn begins.

Dear Llyod Mullikin,

Thank you for your generous donation received on June 29th, 2026. Your support helps the USO continue to provide comfort, connection, and a sense of home to our service members here in Iwakuni.

Because of thoughtful contributions like yours, we are able to offer refreshments and small moments of care that make a meaningful difference in the daily lives of our Marines, Sailors, and their families.

Every day, the USO carries out our mission to strengthen the men and women of America's military by keeping them connected to family, home, and country. We remain dedicated to expanding access to our centers and programs around the world and enhancing the support we provide throughout their time of service.

We are truly grateful for your generosity and your commitment to this mission. Thank you for helping make our work possible.

Best regards,

Gilda Lomas
